Brraio

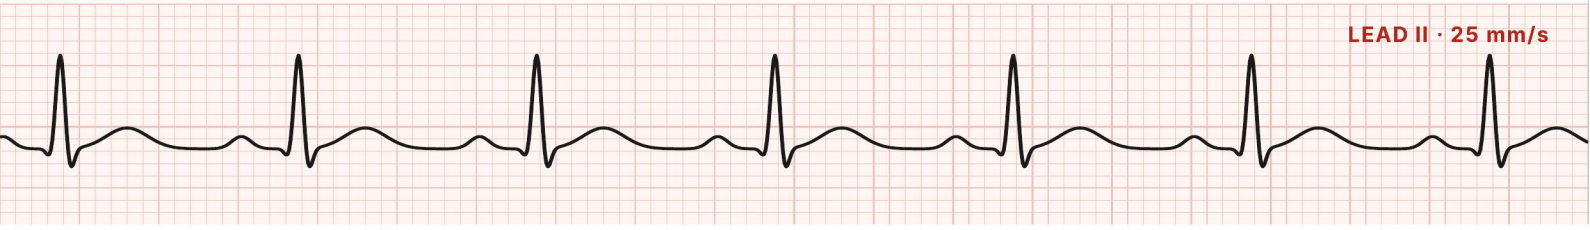

Made by medicos, for medicos.

ECG PRACTICE FOR PARAMEDICS, NURSES & DOCTORS

Get confident reading ECGs.

NOW FREE

A learning plan built around **your** gaps, new training every Monday, and free daily practice, plus CPD with Brraio Pro. Five minutes a day.

Personalised to you

A short ECG Baseline builds your plan, in the order you need it.

New every Monday

Fresh questions, case studies and a weekly ECG challenge.

CPD with Brraio Pro

Go Pro and your learning time is logged, with certificates.

Rhythms to 12-leads

Strips, blocks, STEMI and mimics, every answer explained.

Real clinical cases

Make the call, including the patients who turn out fine.

Possible tax deduction*

Brraio Pro may be claimable as self-education.

FREE to use · no card needed

Scan to start free.

Go Pro for CPD: $9.99 AUD a month, or earn it free with points.

brraio.netlify.app

Earn Pro free. Practise daily, collect Brraio Points and spend them on free Pro weeks.

Medico Mates: give a week, get a week. Share your link in the app.

*Rules differ by person; confirm with your accountant or the ATO. Brraio is a study guide, not an accredited course, and does not replace your training or clinical guidelines.
